EUGENE R. GRAY

19

The background of the cover is a painting. It depicts a park scene with a large, ornate clock face in the foreground. The clock face is white with black hands and numbers. In the background, there is a tall, light-colored clock tower with a dark arched opening. The scene is surrounded by trees with yellow and orange foliage, suggesting autumn. The overall style is impressionistic with visible brushstrokes.

Eugene,
I'm really glad
you were there in
Government, because I
really enjoyed talking with you.
Please be careful on your
motorcycle. I don't want to
come visit you in the hospital.
Take care of yourself.

Dear Eugene-
 you seem like a really nice person. I

SPIRIT WEEK

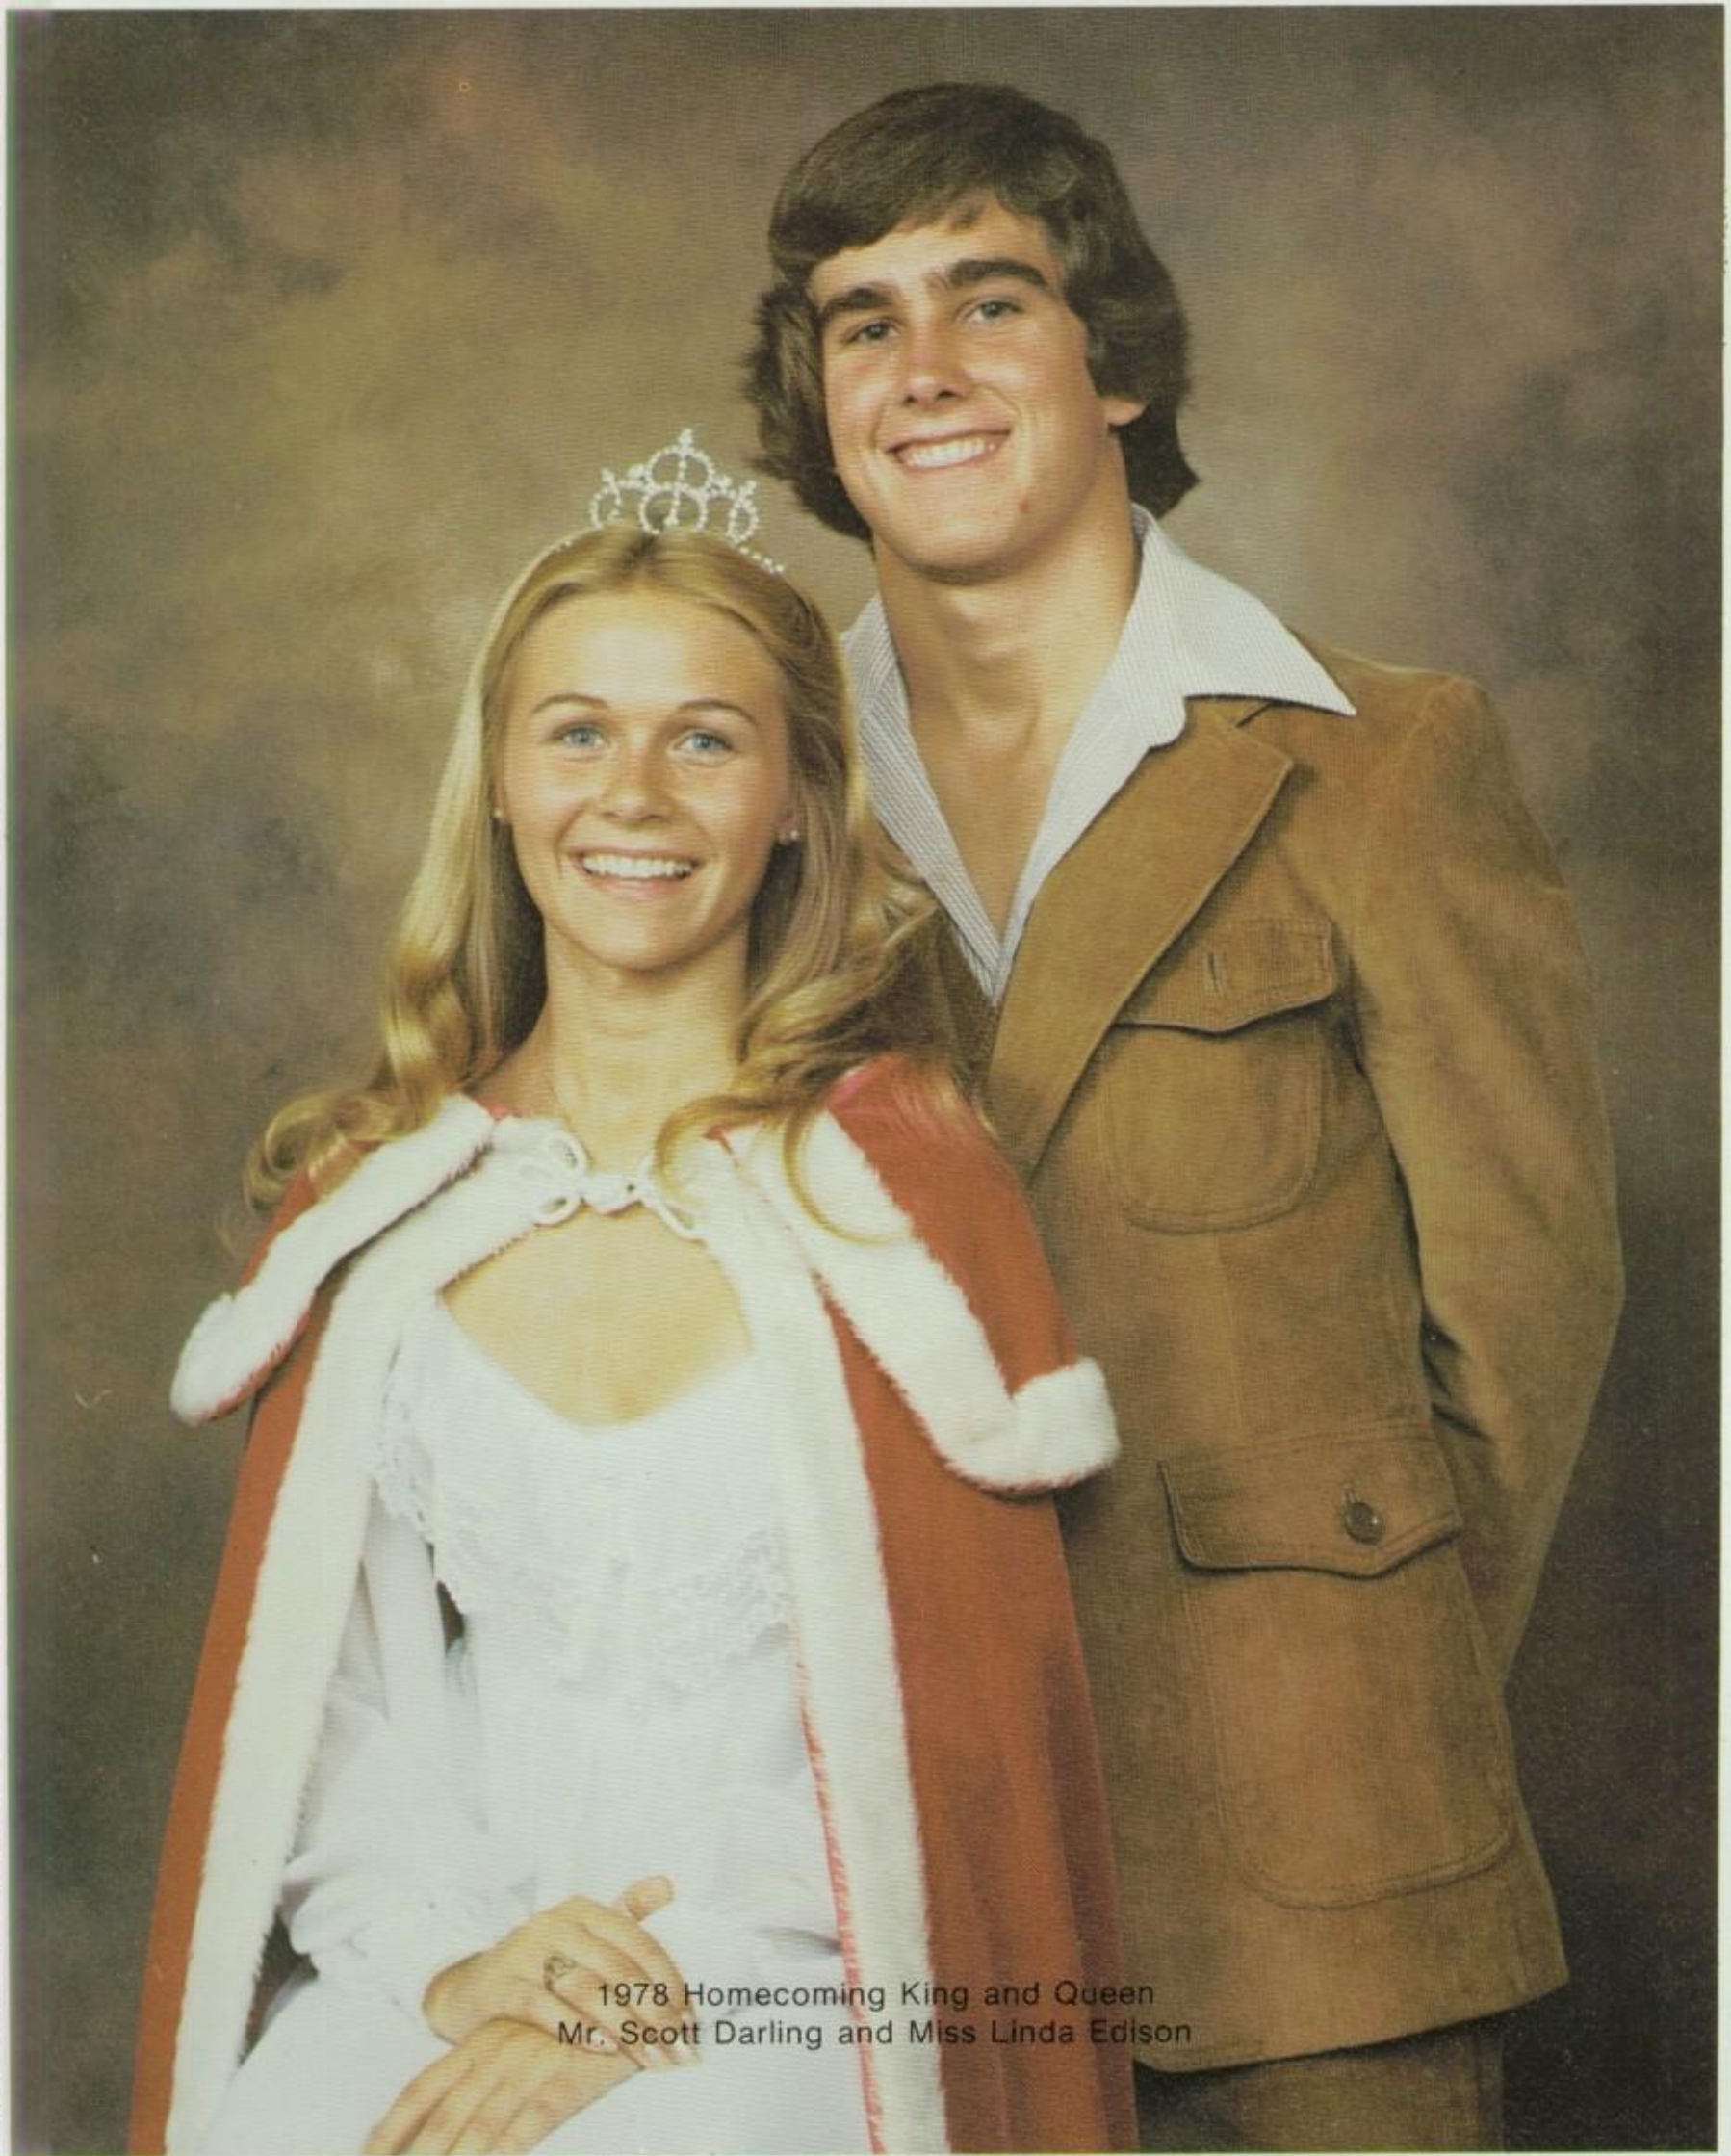

"In following past tradition at F.H.S., once again Homecoming activities started off with Spirit Week. Each day students were encouraged to dress up to a different theme (Sports Day, Tourist Day, Celebrity Day, Hospital Day, and Cowboys & Indians Day). Lunchtime activities such as a tug-of-war and wheel chair races allowed each individual to show his spirit and participation. Spirit Week led up to an enthusiastic crowd who supported our football team in their victorious Homecoming game." Commissioner of Student Spirit.

**THE

Dear Eugene,
 Remember all the good
 times in Algebra last
 year? **PEP** Ha. Ha. Ha.
 Well it's over. Can you
 believe **RALLIES** that it's
 all over? It seems like just
 yesterday that we were taking
 our first Alg. test. Since then
 we've been through a lot,
 Trig, Government, Econ. ah,
 no more. Wasn't Econ a
 terribly serious class? So
 tough. Well, have a great
 summer & STAY AWAY FROM
 MY CAR! Stay out of trouble too.

POW WOW

In honor of the old Pow Wow tradition this year, the name of Winter Formal was changed back to Pow Wow Formal. The king and queen were crowned during half-time of the Sonora-Fullerton basketball game, and reigned over the Spirit Week and the dance. This year the dance was held off campus at the beautiful Buena Park Social Center in Buena Park on January 20th.

ASSEMBLIES: STANDING ROOM ONLY!

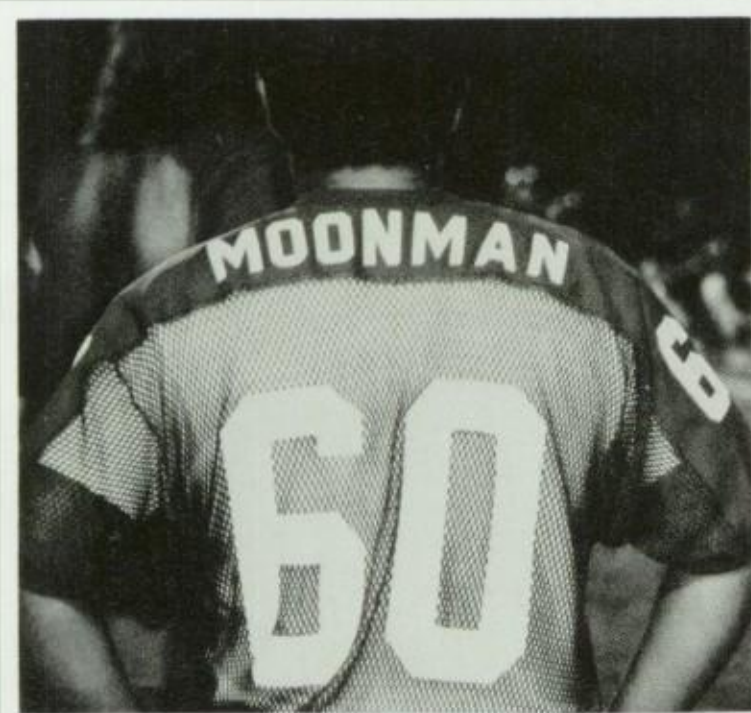

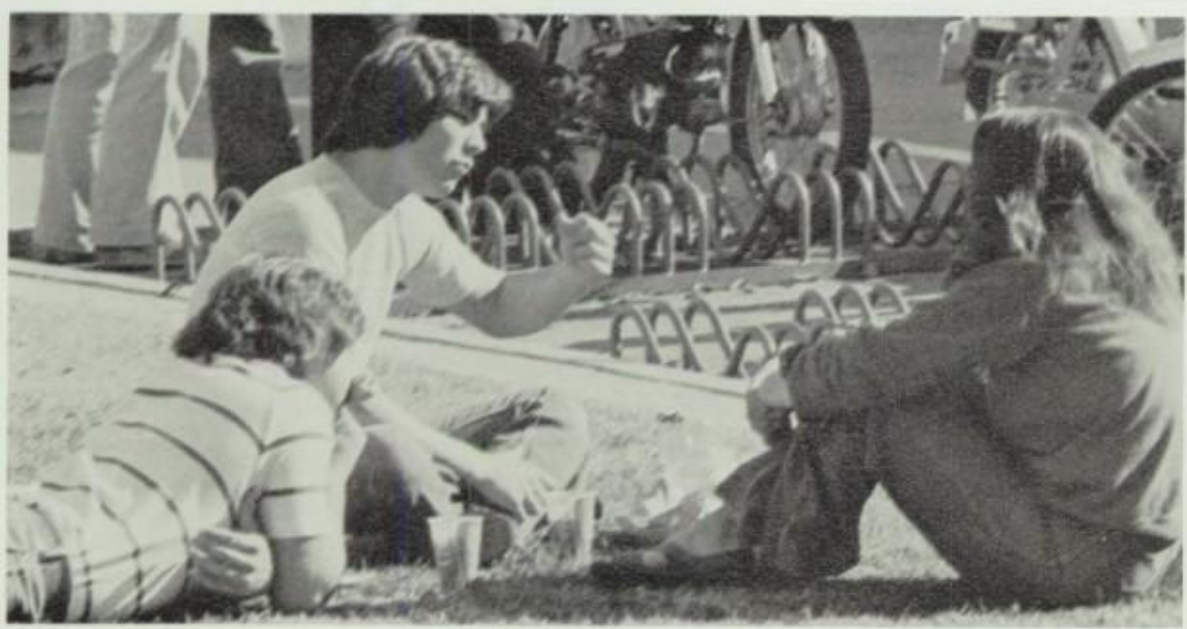

The Homecoming Assembly, which is traditionally the largest assembly of the year, was a great success. Students filled Plummer Auditorium with an air of enthusiasm and anticipation. The outstanding turnout showed the spirit flowing through the student body.

This year, Mr. Perry's second year as the Marching Band advisor, went very well. The Drum Majors, Penny Watson and Blake Barnard showed good leadership. The band had two apprentice Drum Majors also: they were Martha Ogren and Fernando Covarrubias. Because of the large size of the band, approximately 80 people, the music sounded extremely good this year.

STUDENT GOVERNMENT

As this school year draws to a close, the memories of the year gone by seem to rush into our minds. The friendships we have made and memories of the good times are this that will last forever.

For those of us who are seniors, we can reflect back on the past four years here at Fullerton Union High School and realize exactly how invaluable the education we have received is. It will become the cornerstone in the foundation of each person's future.

For those underclassmen who will be returning to Fullerton, I urge you to get involved. Don't wait until the end of high school to ponder over what might have been or what you could have done, but do it now! You will never regret having been involved, for the experience of being involved itself is an educational opportunity open to all.

You can obtain whatever you desire from high school, so always set your goals high and strive for success!

Best of luck to you in the future,

So much more occurs throughout a sport season than winning and losing games. Regardless of the record, let us take from sports, the things we cannot measure, such as personal growth, which will remain a part of us, long after the memory of a record has faded. Failures and successes are part of sports as well as part of life.

SOFTBALL- to these sixteen players the word means practice, performance, and fun. The Varsity Softball team is a group of players who, like the rest of the teams at F.U.H.S., work together to achieve their goal in athletic performance. Aside from their ridged schedule, of practices and games, the players remain a team (especially at the local pizza parlor once a week.)

This is my first year in FUHS and United States too. I'm from Cuenca, Ecuador South America and I'm very proud of this. I'll stay one year in USA because I want to learn English and I want to know the united State's people, and their customs and because I would like to know more about our customs. This is a small world after all.

A black and white photograph of a tropical beach scene. In the foreground, the dark silhouettes of palm trees are prominent against a lighter sky. The middle ground shows a calm body of water reflecting the sky. In the background, there are more palm trees and a distant shoreline. The overall mood is serene and tropical.

Question: What is Carl's Jr.?

Answer: A lot of things.

Carl's Jr. is a lot of things you wouldn't expect from a fast food restaurant.

Carl's Jr. is a lot of good food. A wider variety than you'll find at most other quick-service restaurants. In addition to Carl's famous charbroiled hamburgers, our menu includes the unique California Roast Beef Sandwich, our Charbroiler Steak Sandwich, hot dogs and all the extras—french fries, onion rings, desserts and beverages. Carl's Jr. also features a do-it-yourself salad bar, where you can make your own creation.

Carl's Jr. is a lot of friendly service. Cheerful hostesses not only take your order. They also deliver your food directly to your table. Our drive-thru and take-out customers enjoy the same person-to-person service, and it all happens before you can say Carl's Famous Star Hamburger.

Carl's Jr. is a lot of extra conveniences. You forgot to ask for napkins and salt and

pepper? No problem. They're right there on every table in our attractive carpeted dining room. And after you've settled into one of our comfortable upholstered booths, you'll be serenaded by piped-in music as you enjoy your meal.

Carl's Jr. is a lot of extra money in your pocket. Even though the service and the surroundings may make you feel like you're in a higher-priced restaurant, your pocketbook will tell you otherwise. Even families on budgets and youngsters on allowances applaud us, because at Carl's Jr., you don't pay extra for the extras.

Carl's Jr. is a lot of places. Over 220 conveniently located restaurants from Sacramento to the Mexican border. They're all part of the largest independent restaurant chain in the West, Carl Karcher Enterprises, Inc. Carl's Jr. is different. Different from most fast food places. And the big difference is taste...

You've Got Taste at Carl's Jr.

If you're thinking about the military...

Remember.

Remember the Marine Corps has and does what all the other services do--

We have the finest Ground Team, Air Support, and we even go Afloat with the Navy.

Our men do all things, everywhere.

If you don't want to travel, don't want to get good pay, with fast advancement, free medical and dental, and don't want to experience new things in a field you yourself are interested in, then Remember--don't check out the Marines. Because they offer all that, and More!

But--if you are interested in improving yourself, both mentally and physically, then Remember to find out more about the Few. The Proud. The Marines! For the Marine Corps Representative nearest you, in Fullerton, call 870-9305.

The image features large, three-dimensional numbers '1' and '9' in a light cream or off-white color. They are positioned on a dark, textured background. The numbers are filled with a vibrant autumn scene of orange, yellow, and brown foliage. A clear reflection of the numbers and the foliage within them is visible on the surface below. The lighting creates soft shadows, emphasizing the 3D quality of the numbers.
